**TO:** County Auditor

**FROM:** Department of Local Government Finance (DLGF)

**RE:** Homestead Refund Percentage Rates

**DATE:** October 29, 2007

Enclosed are both the certified 2007 Homestead Refund Percentage Rates by taxing district and Amounts by county, pursuant to P.L. 234-2007.

After November 10<sup>th</sup>, but before December 20<sup>th</sup>, for counties that have a November 10<sup>th</sup> tax due date, the County Auditor calculates each taxpayer's Homestead Refund amount. For counties that have a 2006 pay 2007 tax due date after November 10<sup>th</sup>, the County Auditor calculates the refund amount within 30 days after the second installment due date.

Auditors should use the DLGF certified Homestead Refund Percentage Rates to calculate the refund amount. Refunds are calculated for both real estate homestead properties and mobile home homestead properties.

The Homestead Refund can be calculated as the lesser of:

- Homestead Refund Percentage Rates multiplied by the Taxpayer's Net Tax Liability after SPTRC to calculate the refund amount; or
- Recalculate the homestead credit amount using the original homestead credit rate plus the Homestead Refund Percentage Rate, and then subtract the original homestead credit amount. The difference equals the Homestead Credit Refund.

The Homestead Refund cannot exceed the original residential net tax amount.

P.L. 234-2007 specifies that the refunds are to be applied against property taxes first due and payable in 2007. The Indiana General Assembly ordered that the refunds must be mailed to eligible taxpayers as a warrant with the following language in twelve point font:

"A portion of your local property taxes due in 2007 are being refunded due to tax relief provided by the Indiana General Assembly. Your refund is in the amount of \$ \_\_\_\_\_ (insert amount of refund). If you did not receive a

check because you pay your property taxes through an escrow account along with your mortgage, your lender will receive the refund and should adjust your payments accordingly."

For counties with a November 10<sup>th</sup> tax due date, all unused Homestead Refund dollars must be refunded to the Auditor of State no later than January 10, 2008.

For counties that have a second installment tax due date later than November 10<sup>th</sup>, all unused Homestead Refund dollars are to be returned to the Auditor of State within 60 days after the tax due date.

The return of unused Homestead Refund dollars **is not** to be included in the December 2007 Settlement.
